

# Hidden Down Deep in the Recordings

(Poem)

-by Brian Edwards

**Hidden**

**Down deep**

**In the recordings**

**Sappers**

**Attackers**

**Saboteurs**

**Deceivers**

**From dimensional**

**Time and space**

**Setting about**

**To pillage**

**The peace**

**Of the wandering listener**

**That sets out**

**To hear them**

**Down deep**

**In the recordings**
